Tilray Medical Expands Portfolio of Medical Cannabis Products in the UK

Jun 29, 2022

LEAMINGTON, Ontario, June 29, 2022 (GLOBE NEWSWIRE) -- Tilray Brands, Inc. ("Tilray" or the "Company") (Nasdaq: TLRY; TSX: TLRY), a leading global cannabis-lifestyle and consumer packaged goods company inspiring and empowering the worldwide community to live their very best life, today announced that its medical cannabis division, Tilray Medical, has expanded its medical cannabis offerings in the United Kingdom. Tilray Medical now offers the broadest portfolio of cannabis flower in the UK market today, including a differentiated range of high THC products, cultivated at its EU-GMP-certified facility in Portugal.

Denise Faltischek, Tilray's Chief Strategy Officer, and Head of International Business, said, "The demand for medical cannabis in the UK is growing rapidly. We are incredibly proud to provide patients in the UK with high-quality, consistent medical cannabis products they can rely on and are accessible to them."

Tilray Medical now offers an extensive selection of medical cannabis products including a market leading portfolio of cannabis flowers with THC potencies that span from 10% to 25% and offer a range of different ratios[1]. Tilray Medical's portfolio in the UK is underpinned by a breadth of cultivars, each with a unique profile of cannabinoids and terpenes, that have been selected to ensure patients can receive both the highest product quality as well as consistency when it comes to supply of their medicinal cannabis products. By offering such a broad range of cannabis flower products in the UK, Tilray Medical hopes to expand the range of treatment options available to patients and ensure prescribers and patients are provided with a safe and reliable choice as they embark on their medical cannabis journey.

In the UK, patients may obtain prescriptions for medical cannabis through their specialist doctor. Tilray Medical supplies the UK and the rest of our international business with EU-GMP certified medical cannabis from our state-of-the-art facilities in Portugal, providing patients with safe and reliable access to high-quality medical cannabis.

About Tilray Medical
Tilray Medical is dedicated to transforming lives and fostering dignity for patients in need through safe and reliable access to a global portfolio of medical cannabis brands, including Tilray, Aphria, Broken Coast, and Symbios. Tilray grew from being one of the first companies to become an approved licensed producer of medical cannabis in Canada to building the first EU-GMP-certified cannabis production facilities in Europe, first in Portugal and later in Germany. Today, Tilray Medical is one of the biggest suppliers of medical cannabis brands to patients, physicians, hospitals, pharmacies, researchers, and governments, in 20 countries and across five continents.

Forward-Looking Statements
Certain statements in this communication that are not historical facts constitute forward-looking information or forward-looking statements (together, "forward-looking statements") under Canadian securities laws and within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are intended to be subject to the "safe harbor" created by those sections and other applicable laws. Forward-looking statements can be identified by words such as "forecast," "future," "should," "could," "enable," "potential," "contemplate," "believe," "anticipate," "estimate," "plan," "expect," "intend," "may," "project," "will," "would" and the negative of these terms or similar expressions, although not all forward-looking statements contain these identifying words. Certain material factors, estimates, goals, projections, or assumptions were used in drawing the conclusions contained in the forward-looking statements throughout this communication. Forward-looking statements include statements regarding our intentions, beliefs, projections, outlook, analyses, or current expectations concerning, among other things: expectations regarding the performance and scale of the Company, including Tilray Medical; and the Company's ability to expand its offering to patients worldwide, including via Tilray Medical. Many factors could cause actual results, performance, or achievement to be materially different from any forward-looking statements, and other risks and uncertainties not presently known to the Company or that the Company deems immaterial could also cause actual results or events to differ materially from those expressed in the forward-looking statements contained herein. For a more detailed discussion of these risks and other factors, see the most recently filed annual information form of Tilray and the Annual Report on Form 10-K (and other periodic reports filed with the SEC) of Tilray made with the SEC and available on EDGAR. The forward-looking statements included in this communication are made as of the date of this communication and the Company does not undertake any obligation to publicly update such forward-looking statements to reflect new information, subsequent events or otherwise unless required by applicable securities laws.
