New Hazy IPA Adds Depth to Year-Round Lineup as Alpine Expands Distribution into Florida

SAN DIEGO, Jan. 19, 2023 (GLOBE NEWSWIRE) -- Alpine Beer 'Alpine', a brand from SweetWater Brewing Company, announces the release of Infinite Haze, a Hazy IPA bursting with endless aromas of citrus and sweet, tropical fruits. Infinite Haze is the newest addition to Alpine's year-round lineup and is available now in 12-ounce cans in California, with plans for national distribution in 2023.

Featuring a blend of Motueka, Strata and Citra hops, Infinite Haze (6.5% alcohol by volume (ABV)) is finished with an enormous dry hop that creates a brilliant aroma of bright citrus zest and berry with notes of fresh apple, peach, and orange peel.

"With consumers still craving haze, we've created a flagship Hazy IPA that stands out from the crowd with a unique taste and aroma. The hop bill is a nice balance of New Zealand and classic West Coast varieties, giving this brew a great mouthfeel, giant fruit aromas, and a super juicy flavor," says Ty H. Gilmore, President, U.S. Beer at Tilray Brands. "It's a natural fit with our iconic unfiltered IPA, Nelson, and original West Coast-style IPA, Duet, that make up our highly acclaimed year-round lineup."

Infinite Haze is available in six-packs and Alpine's new 12-can and 24-can Variety Mountain Packs, which also include Nelson and Duet. Alpine is available at select retailers including Albertsons, Vons, Ralphs, BevMo and Total Wine.

Infinite Haze, which has quickly become Alpine's fastest-selling beer in the Southern California market, rounds out the brand's year-round lineup as it expands distribution to Florida. Alpine Beer is also available in Arizona, California, Colorado, Delaware, Georgia, Maine, Ohio, Oregon, Pennsylvania, Texas, Virginia, and Washington.
