Featuring Additional Fruity Flavours to the Good Supply Family

TORONTO, Feb. 27, 2024 (GLOBE NEWSWIRE) -- Tilray Brands, Inc. ("Tilray" or the "Company") (Nasdaq: TLRY; TSX: TLRY), a leading global cannabis-lifestyle and consumer packaged goods company today announced the latest product releases from its leading Canadian cannabis brand, Good Supply. Good Supply's new infused **GOOD SUPPLY JUICED™** lineup includes its first duo blunt multi-pack with the new 2x1g 'Cherry on Top' Blunts and a refreshed rotation of flavours in its new multi-strain 3x0.5g **Discovery Pack**.

[First making its appearance across retailers last summer](#), Good Supply's fruit-forward 'JUICED' infused pre-roll collection continues to expand with bold and fruity flavours drawing from Good Supply's acclaimed fan-favourite offerings. Good Supply's single-flavour pre-roll multi-packs, multi-flavour discovery pre-roll pack, and indulgent blunts feature a pairing of strain-specific flower with the fruit-flavoured extract of Good Supply's best-selling vapes.

The latest additions to the Good Supply JUICED lineup include:

NEW JUICED Cherry on Top Blunts Duo

For its first drop, Good Supply launched its Groovy Grape and Bunches of Bananas Juiced Infused single 1g Blunts. Taking our flavours to the next level by pairing two complementary profiles, its **Cherry on Top Juiced Infused Blunts Duo**: a **two-pack of 1g blunts** featuring **Cosmic Cherry** and **Golden Drizzle**. Cosmic Cherry (Sativa) is a very cherry blunt elevated with a delicate lemon citrus sweetness for depth. Golden Drizzle (Indica) is a treat of a blunt to say the least, with a combo of sweet and caramelized flavour notes. These perfectly paired blunts are dripping with juicy flavour and hit hard in a smooth-smoking, slow-burning hemp blunt wrap.

Available in 2x1g packs in Manitoba and Ontario and coming soon to Alberta and Saskatchewan.

New Featured Flavours in the Good Supply JUICED Discovery Pack

With new flavours rotating every six months, the **GOOD SUPPLY JUICED** 3x0.5g Discovery Pack is where consumers can try the newest variety of flavours, available exclusively in the Juiced line-up before they're available solo. This new rotation includes:

- Cosmic Cherry (Sativa) – Sweet cherry and tart citrus
- Watermelon Chew (Hybrid) – Juicy bubblicious watermelon
- Blue Burst (Indica) – Creamy blueberry

Good Supply's signature Juiced collection, including its infused Cherry On Top Blunts and Refreshed Discovery Pack, are now available in select regions and retailers across Canada and can be found in their [upgraded hemp-based packaging](#).
