Good Supply Expands Product Lineup with 1.5g and 2g Vapes

TORONTO, Feb. 20, 2025 (GLOBE NEWSWIRE) -- **Tilray Brands, Inc.** company (Nasdaq: TLRY; TSX: TLRY), a global lifestyle and consumer packaged goods company at the forefront of beverage, cannabis and wellness industries, has announced the introduction of Good Supply's latest product innovation: **Monsters 1,000mg THC Resin Vapes**. Building on the success of their popular 1,000mg THC pre-rolls, the Good Supply Monsters collection is now expanding into the vape category with two strain x strain pairings: **Grape Daddy Kush** and **Super Lemon Guy**.

Monsters Vapes are designed to hit full spectrum heights. Each 1.5g cart is packed with 1000mg of THC, offering a potent and tasty vaping experience with strain-specific full spectrum BHO resin and a second helping of cannabis terpenes for two hard-hitting entourage effects.

Good Supply Monsters Vape Options:

- **Grape Daddy Kush (Indica)**: A ghastly indica experience that merges Sweet Berry Kush BHO x Grand Daddy Purps cannabis terpenes, delivering sweet berry and pungent grape flavours, perfect when winding down in the evening.
- **Super Lemon Guy (Sativa)**: A spooky sativa blend of Jean Guy BHO x Super Lemon Haze cannabis terpenes, with lemon, citrus, and earthy notes, ideal when starting the day with a boost or when you are on energetic adventures with friends.

Key Monsters Vape Features:

- 1,000mg THC per 1.5g cart.
- Brings together 2x entourage effects with full spectrum BHO Resin and cannabis terpenes.
- Custom-designed heating coil, crafted with a specialized alloy for faster, harder hits
- Wider Mouthpiece: The extra-wide mouthpiece ensures better airflow and is less likely to clog, enhancing the overall vaping experience.

"We're beyond excited to expand our Monsters line into the vape category," said Michelle Morin, Senior Brand Manager, Good Supply. "Our original Monsters infused pre-rolls have set a high standard for unconventionally impactful products, and with Monsters Vapes, we're taking the vaping experience to a whole new level. Consumers and fans can expect the same dedication to innovation and quality in our new Monsters vape products for double the entourage effects and flavour."

This introduction of Monsters Vapes represents a strategic expansion into a rapidly growing full-spectrum segment of the cannabis market. This launch underscores Good Supply's dedication to innovation and its ability to meet consumer demand with better quality, hard-hitting products.

In addition to the Monsters Vapes, Good Supply continues to offer an extensive vape product line tailored to different consumer preferences. The newest offerings include **2g 510 Vapes** containing up to 50% THC, 15% CBG, and 15% CBD, **1.2g 'Twisted' All-In-One Vapes** featuring 3-in-1 flavours, and the popular **1g 510 Cartridge** vapes. Each product is formulated using double distilled and double filtered THC distillate, complemented by natural flavouring ingredients for a fruity and flavourful experience. The cartridges are designed to be compatible with all 510 standard rechargeable batteries and feature mouthpieces made from hemp material, aligning with Good Supply's commitment to reducing plastic waste.
