

Breckenridge Distillery Unveils Limited-Edition Collectors Art Series Collaboration with Renowned Artist Miles Toland

Jul 1, 2025

For Its Fifth Annual Collectors Art Series, Breckenridge Distillery Partners with Visionary Artist to Create Label for Its New Calvados Cask Release

BRECKENRIDGE, Colo., July 01, 2025 (GLOBE NEWSWIRE) -- [Breckenridge Distillery](#), one of the most-awarded craft distilleries in the U.S., and a craft spirits brand by Tilray Brands, Inc. (NASDAQ: TLRV and TSX: TLRV), proudly announces the fifth edition of its acclaimed [Collectors Art Series](#). This year, the distillery partnered with muralist and painter Miles Toland to create a breathtaking label and mural as part of its limited release, the [Breckenridge Calvados Cask Finish](#).

Born in Santa Fe, New Mexico, and currently based in Spokane, Washington, Toland is known for his immersive murals and studio work that explore the liminal realms between sleep and wakefulness. His art blends geometric patterns and natural elements to express the spiritual connection between humanity and the unknown. In this edition of the Collectors Art Series, his design captures a transcendent moment in nature—where a figure, surrounded by Colorado's Rocky Mountains and lark buntings, dissolves into a mandala of harmony, balance, and unity.

"Blending is everything in my paintings," says Toland. "Just like whiskey, it's about creating bridges—between shadow and light, between form and formlessness. To have my work featured on a bottle of whiskey is an exciting fusion of two art forms that celebrate complexity and craftsmanship."

The label design will appear on the Breckenridge Calvados Cask Finish, bottled at 95 proof / 47.5% ABV. This limited release continues the tradition of the Distillery's artful cask finishes, offering rich aromas of freshly peeled red apples with warm oak and creamy vanilla and a hint of cinnamon spice on the nose, and a smooth entry of caramel, baked apple, and vanilla with layers of sweet oak and peppery spice on the palate. The finish lingers with a comforting touch of cinnamon.

As with past editions, a donation of \$5 per bottle sold will benefit [Keep RiNo Wild](#) (KRW), a 501(c)(3) whose mission is to provide and advocate for permanent, affordable community creative space within the district, to support and bolster the artist community which is here, as well as provide educational programming, events, classes and experiences for all ages, backgrounds and socio-economic groups.

"Miles' work dives into the mystical and unseen, and that mirrors the sensory journey we try to create with our whiskeys," said Bryan Nolt, founder of Breckenridge Distillery. "This collaboration is another chapter in our ongoing celebration of blending—color, spirit, and culture."

Breckenridge Collectors Art Series releases have earned numerous accolades, including 2023 Best Blended LTD Release and 2020 Icons of Whisky's Campaign Innovator of the Year at the World Whiskies Awards, along with Gold and Double Gold medals at the San Francisco World Spirits Competition.

Breckenridge Collectors Art Series 5 will be available starting July 1, exclusively at Breckenridge Distillery and the Main Street Tasting Room in Breckenridge, Colorado, for \$125. You can visit Toland's latest mural behind Number Thirty Eight in Denver, Colorado at 3560 Chestnut Pl, Denver, CO 80216, along with the 2024 mural by Abby Wren and 2022 mural by Alexandra Pangburn.
