

Tilray Unveils Good Supply Vapes in Québec Following the Recent Introduction of Vape Products in Québec

Nov 24, 2025

TORONTO, Nov. 24, 2025 (GLOBE NEWSWIRE) -- Tilray Brands, Inc., company ("Tilray") (Nasdaq: TLRY; TSX: TLRY), a global lifestyle and consumer packaged goods company at the forefront of the cannabis, beverage, and wellness industries, today announced the introduction of Good Supply vape products in Québec as part of the launch of legal cannabis vaping products in Québec. Consumers in Québec will now have access to Good Supply's acclaimed vape products, as the brand introduces its popular 1 g 510 -thread cartridges in **Pineapple Express** (Hybrid) and **Blue Dream** (Sativa). Both cartridges are compatible with standard 510 batteries and will be available for purchase either in-store or online.

"The introduction of vape products in Québec marks an important milestone for both consumers and the industry," said Blair MacNeil, President, Tilray Canada. "We're proud to offer Good Supply vapes in full compliance with provincial regulations, ensuring adult consumers have access to quality, regulated products."

Good Supply cartridges are produced using THC distillate combined with cannabis terpenes and filled in standard 510-thread cartridges. Pineapple Express features dominant terpenes myrcene, humulene, and linalool, while Blue Dream includes myrcene, linalool, and humulene. Quebec consumers can refer to the retailer's website for current information on products and their availability.

About Good Supply

Good Supply is one of Canada's leading cannabis brands and has been recognized as #1 in flower, and best-selling pre-rolls, vapes, and concentrates, and has become a favourite among consumers and budtenders. At Good Supply, good is the new great. Rooted in classic strains that punch above their weight, Good Supply delivers consistent, hard-hitting quality at affordable prices. Explore classic cannabis strains, innovative formats, and new flavours — we're always up for a good time.

Forward-Looking Statements

Certain statements in this communication that are not historical facts constitute forward-looking information or forward-looking statements (together, "forward-looking statements") under Canadian and U.S. securities laws and within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are intended to be subject to the "safe harbor" created by those sections and other applicable laws. Forward-looking statements can be identified by words such as "forecast," "future," "should," "could," "enable," "potential," "contemplate," "believe," "anticipate," "estimate," "plan," "expect," "intend," "may," "project," "will," "would" and the negative of these terms or similar expressions, although not all forward-looking statements contain these identifying words. Certain material factors, estimates, goals, projections, or assumptions were used in drawing the conclusions contained in the forward-looking statements throughout this communication. Forward-looking statements include statements regarding our intentions, beliefs, projections, outlook, analyses, production estimates, or current expectations. Many factors could cause actual results, performance, or achievement to be materially different from any forward-looking statements, and other risks and uncertainties not presently known to the Company or that the Company deems immaterial could also cause actual results or events to differ materially from those expressed in the forward-looking statements contained herein. For a more detailed discussion of these risks and other factors, see the most recently filed annual information form of Tilray and the Annual Report on Form 10-K (and other periodic reports filed with the SEC) of Tilray made with the SEC and available on EDGAR. The forward-looking statements included in this communication are made as of the date of this communication and the Company does not undertake any obligation to publicly update such forward-looking statements to reflect new information, subsequent events, or otherwise unless required by applicable securities laws.
