

## Breckenridge Distillery Releases Limited Single Barrel Bourbon Collection

Jun 18, 2026

The Award-Winning Colorado Craft Distillery Releases Twelve Hand-Selected, Unblended Single Barrels — Breckenridge Bourbon in Its Most Honest Form

BRECKENRIDGE, Colo., June 18, 2026 (GLOBE NEWSWIRE) – [Breckenridge Distillery](#), one of the most-awarded craft distilleries in the U.S., and a subsidiary of [Tilray Brands, Inc.](#) (NASDAQ: TLRV and TSX: TLRV), today announced the limited release of its Breckenridge Distillery Single Barrel Bourbon Collection. These single barrel releases are an invitation to experience Breckenridge Bourbon in its most honest form; unblended, thoughtfully proofed, and defined by the barrel itself.

Each barrel was hand-selected for its ability to stand entirely on its own, showcasing flavors that are complete, balanced, and compelling. All twelve expressions are aged a minimum of five years, developing depth and character through Colorado's unique aging environment, where temperature swings and high-altitude conditions push the whiskey deeper into the wood with every season.

Rather than bottling at a fixed proof, each barrel is proofed by hand to highlight what that specific cask does best. The goal is simple: to find the proof point where aroma, texture, and flavor are most expressive. Depending on the barrel, drinkers may discover notes of rich butterscotch, candied orange, chocolate or cacao, warm holiday spice, or other nuanced flavors shaped entirely by time, wood, and climate. No two barrels are exactly alike.

"Every Single Barrel we release tells its own story. From grain to bottle, we let each barrel evolve naturally, then find the exact proof where its character shines—no blending, no shortcuts, just whiskey as it was meant to be experienced," says Hans Stafsholt Master Distiller at Breckenridge Distillery. "Every barrel holds a moment in time. With Single Barrel, we honor that moment—selecting each cask for its individuality, then bottling it exactly as it wants to be tasted."

### Release Details

This limited release features 12 single barrels, each presented at a unique proof between 100.4 and 120.5, capturing the individuality of every cask. Detailed by barrel number, proof, and bottle count, each bottle stands as a true, singular snapshot of the whiskey's character.

**MSRP:** \$69.99–\$89.99
