

## Tilray, Inc. Announces Closing of US\$450 Million 5.00% Convertible Notes Offering

Oct 10, 2018

NANAIMO, British Columbia--(BUSINESS WIRE)--Oct. 10, 2018-- Tilray, Inc. (NASDAQ:TLRY), a global leader in cannabis research, cultivation, production and distribution, today announced that it has closed its offering of 5.00% Convertible Senior Notes due 2023 (the "notes") for gross proceeds of US\$450 million in a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"). Any notes sold in Canada were sold to accredited investors pursuant to an exemption from the prospectus requirements of Canadian securities laws.

Tilray estimates that the net proceeds from the offering is approximately US\$435 million, after deducting the initial purchasers' discount and estimated offering expenses payable by Tilray. Tilray intends to use the net proceeds from this offering for working capital, future acquisitions and general corporate purposes, and to repay the approximately US\$9.1 million existing mortgage related to its facility in Nanaimo, British Columbia.

Cowen, BofA Merrill Lynch and BMO Capital Markets acted as joint book-running managers for the offering. Roth Capital Partners, Eight Capital and Northland Capital Markets acted as co-managers for the offering.

The notes are senior unsecured obligations of Tilray and bear an interest at a rate of 5.00% per year, payable semiannually in arrears on April 1 and October 1 of each year, beginning on April 1, 2019. The notes mature on October 1, 2023, unless earlier repurchased, redeemed or converted.

The initial conversion rate for the notes is 5.9735 shares of Class 2 common stock per US\$1,000 principal amount of notes (which is equivalent to an initial conversion price of approximately US\$167.41 per share). Conversions of the notes will be settled in cash, shares of Tilray's Class 2 common stock or a combination thereof, at Tilray's election. The initial conversion price represents a conversion premium of approximately 15% over the last reported sale price of US\$145.57 per share of Tilray's Class 2 common stock on the Nasdaq Global Select Market on October 4, 2018.

Neither the notes, nor any shares of Tilray's Class 2 common stock issuable upon conversion of the notes, have been registered under the Securities Act or any state securities laws, or qualified for distribution by prospectus in Canada, and unless so registered, may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws, or sold in Canada absent an exemption from the prospectus requirements of Canadian securities laws.
